CMS Broker is Down

The broker from which the Case Management System and some other State of Alaska systems run is currently down, so you are not able to access CMS. We apologize for this inconvenience and will let you know as soon as the system is running again. Please pass this message along to other CMS users at your site. If you have any questions, please contact us at [EISHelp@health.state.ak.us](mailto:EISHelp@health.state.ak.us).
